In retrospect, what could you have done better to reduce the time you spent solving this homework?

There wasn't much else I could have done better to reduce the time spent on this homework. I spent a relatively low amount of time on this homework compared to the last.

What could we, the teaching staff, have done better to improve your learning experience in this homework?

I think explaining the wrapper class in more detail could have helped.

What do you know now that you did not know before beginning the homework?

I now know what a Wrapper class does and how it functions.
